PROFESSIONAL SUMMARY

Performance marketer with 7 years of experience scaling paid acquisition for subscription and high-consideration consumer products. Owns CAC and payback targets end to end.

WORK EXPERIENCE

Senior Performance Marketing Manager | SkillForge Learning | Mar 2021 - Present

- Owned paid acquisition across Google Ads and Meta Ads with a monthly budget of INR 1.4 crore.
- Reduced cost per enrolment by 34% over six quarters while growing qualified leads 2.2x.
- Built a weekly experimentation roadmap covering ad creatives, landing pages and audience cohorts.
- Ran structured A/B testing on landing pages, lifting checkout conversion rate from 3.1% to 5.4%.
- Reported CAC, ROAS and funnel conversion to the leadership team every week using GA4 and Looker.
- Managed and mentored a team of two performance marketing executives.

Performance Marketing Manager | Shopmint | Jun 2018 - Feb 2021

- Ran AdWords search, shopping and paid social campaigns for a D2C marketplace.
- Used SQL to build self-serve funnel dashboards for the growth team.
- Partnered with content on ad copy and landing page messaging for premium categories.
